Welcome Message

On behalf of the Organizing Committee, it gives us great pleasure to welcome you all to the 21st Regional Osteoporosis Conference (ROC 2021) which will be held at Cordis Hong Kong via a novel approach of hybrid conference on 27 June 2021.

The theme of ROC 2021 is “A Multidimensional Approach to Osteoporosis”. Distinguished speakers will share their expertise and insights on various topics, including: Atypical Femoral Fracture: An Asian Perspective, Bone Health Assessment, Bone Health in Rheumatological Disorders, Extraskeletal Benefits and Harms of Bisphosphonates, Osteoporosis and Fall Prevention during the COVID-19 Pandemic, Preview of 2021 OSHK Osteoporosis Management Guideline as well as Update on Therapeutic Interventions in Osteoporosis during the Conference.

The annual ROC has become an important professional platform for experts to share the most updated development in osteoporosis and related diseases. This year delegates can participate through joining either the physical meeting or our virtual platform. We are confident that osteoporosis specialists, clinicians, researchers and other healthcare professionals from related medical disciplines will enjoy our exciting and educational programme.

We look forward to warmly welcoming you at ROC 2021 and sincerely wish you a rewarding experience!
