POSTER SESSIONS

Poster viewing sessions will be held during the lunch and coffee breaks of the 3-day programme.

YOUNG SCIENTIST MENTORING PROGRAMME

Eight young investigators will be invited to present their scientific work and research ideas to a panel of senior investigators who will provide constructive comments; held as a separate pre-meeting session on December 13, 2012.

IOF YOUNG INVESTIGATOR AWARD

As part of its commitment to fostering young scientists and advancing bone research, IOF is offering five Young Investigator Awards. The top five selected abstracts will be awarded 1000 USD each and an opportunity to present their research.

SATELLITE SYMPOSIA

Five time slots will be reserved for industry-sponsored satellite symposia.
