Welcome Message

On behalf of the Organising Committee, we are pleased to invite you to participate in the 12th Regional Osteoporosis Conference to be held on 21-22 May 2011 in the Hong Kong Convention & Exhibition Centre.

Osteoporosis is now recognized as a major health problem worldwide. Over the past years, this Regional Osteoporosis Conference had been well attended by participants in the Region. At the coming 12th Regional Osteoporosis Conference, you will again have an opportunity to interact with the world and local experts and to learn about the latest state-of-the-art developments in basic and clinical aspects of osteoporosis. This year we have great pleasure to have the Hong Kong Society of Rheumatology as our co-organiser and a special session on rheumatic disorders & osteoporosis would be presented.

We would also like to invite you to submit abstracts for presentation in the poster session. A Young Investigator Award would be presented to the best poster from our young fellows.

I look forward to welcoming you to Hong Kong for this exciting conference.

Dr Tai-pang IP
President
Osteoporosis Society of Hong Kong

Dr Chi-chiu MOK
President
Hong Kong Society of Rheumatology

Hands-on Interactive Workshop on BMD Scans

Prior registration required

21-22 May 2011 (Saturday - Sunday) | Room S425, 4/F, Phase 1, Hong Kong Convention & Exhibition Centre

An intensive Osteoporosis Assessment workshop designed for radiographers or ISCD certified professionals to seek hands-on experience to their BMD analysis precision. After a brief introductory session on the learning objectives of the workshop and on how to use the system, the participants have to analyze a dataset which consists of 15 cases. Thereafter they can receive the model answer of each case, and discuss the cases with the medical expert(s) afterwards. Participants can take part in multiple sessions, each time reading a different dataset.

Call for Abstracts

The Organising Committee of 12th Regional Osteoporosis Conference 2011 (12th ROC) cordially invites prospective authors to submit abstracts for poster presentations during the conference.
