Welcome Message

15th Regional Osteoporosis Conference **24-25 May 2014, Hong Kong**

On behalf of Osteoporosis Society of Hong Kong (OSHK), we are pleased to announce 15th Regional Osteoporosis Conference (15th ROC) is to be held on 24-25 May 2014 at Hong Kong Convention and Exhibition Centre. Our co-organisers include the Hong Kong Orthopaedic Association (HKOA) and Hong Kong College of Orthopaedic Surgeons. The main theme this year is on fracture management and secondary prevention of osteoporosis.

The topics are well selected. We invite several public hospitals to share with us their structured secondary fracture prevention programmes. Current controversies and risks of osteoporosis management will also be covered by local osteoporosis experts.

It would be a great platform for local and overseas experts to exchange their knowledge in Osteoporosis.

We look forward to seeing you in the meeting.
