A member of

Asian Federation of
Osteoporosis Societies

Welcome Message

On behalf of the Organizing Committee, it is our great pleasure to invite you to the 26th Regional Osteoporosis Conference (ROC 2026), which will be held on 13 September 2026 in the Hong Kong Convention and Exhibition Centre.

Theme of this year's Conference is "**Bone Health Reimagined: From Prevention to Precision Management**". A variety of topics in bone health, including diet, vitamin D and calcium, osteoporosis and sarcopenia, bone health during pregnancy and lactation, effect of weight management on bone health, novelties in diagnosis and treatment, and prevention and management of MRONJ will be addressed. We are honored to have gathered so many distinguished experts to share their knowledge and discuss challenging cases at the Conference.

The annual ROC has become an important professional platform for experts to report on novel discoveries and share the most updated development in osteoporosis and related diseases. We warmly welcome local and international researchers to submit their abstracts and present their pioneering works, fostering a collaborative environment for idea exchange and collective growth.

We look forward to welcoming you at ROC 2026 and sincerely wish you a rewarding experience!

Prof. Ching-Lung CHEUNG
President,
The Osteoporosis Society of Hong Kong

Dr. Patrick CHIU
Chairperson,
Organizing Committee, ROC 2026
